April 2019

Dear Brothers and Sisters in Christ:

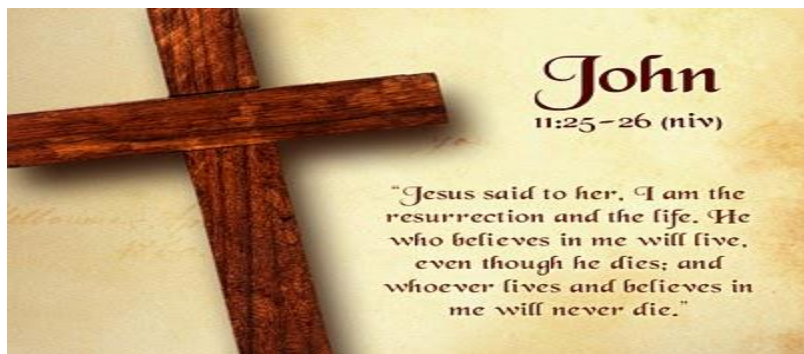

I dare to say as I continue to splish and splash through puddles that we have indeed sprung ahead into warmer weather and with that of course the stress of what all this melting will lead to. I have heard many stories of your congregation's experiences with flood waters and I pray that we will be blessed with a dry and safe spring.

April brings us the end of Lent and the amazing and spiritual Holy Week and Easter. It is indeed my favorite time of the church year and I hope that we can all experience the never-ending love and sacrifice of our God over the next few weeks. Holy week will wrap up our series on the Sermon on the Mount. Palm Sunday will have us remembering that it is our sins that have brought him to the city of Jerusalem. Maundy Thursday we will be blessed with a presentation of the disciples gathered with Jesus for the Last Supper. It is a wonderful message and meal to be shared. Good Friday brings us to a message of the tree and its fruits – there have been significant trees in the story of our Lord and the fruits of which these trees have given us guidance and knowledge. Finally, we will rejoice in the treasures of heaven on Easter morning. Oh, what a glorious week it will be.

I thank you for your continued support and presence through the changing of the seasons. While I continue to work on visiting our shut-ins I again ask that if you are able to help with visiting those unable to come to church you will let me know. There are so many of our members who just want visitors to chat with and I wish I had all the time in the world to spend with them. Your continued thoughts and prayers for them is also very important.

In the love of Christ I serve you,

Pastor Intern Michele
